

MANOS DE DIOS HANDS OF GOD MINISTRIES

From the pen of Dennis

Seasons change. In society, in life, in our weather, and in the callings that God gives to His people. While things do change, some particular things may basically remain the same, but have subtle changes, change focus, and adjust to fit the needs of the current season.

That is what Manos de Dios/Pro-Love Tucson has done since the last newsletter. Our outreach support to our sister-in-Christ, Margarita (and daughter Alejandra) as well as Pastora Ana and the the women's rehab centers in Puerto Peñasco, MX continues.

I write blogs concerning all aspects of the Christian faith, current events that

Naomi and husband, Isaiah, along with their three children are stationed on Eielson Air Force Base outside Fairbanks Alaska!

“Our” youngest Apache daughter, Naomi, is thriving in her marriage, her faith, and in her role as mother! **Praise the Lord so much!** We had the pleasure of spending a week

with her family this summer! We now **LOVE** Alaska and enjoyed time with Naomi’s children, Moriah (4) and Ezekiel (2)! Jonathon Dennis was born October 23, 2025! What a joy to watch the next generation flourish and be blessed as they walk with the Lord! 🥰

Dennis built shelves for New Hope Pregnancy Center in Show Low this summer!

(Dennis continues...) affect our faith. I also support the physical and security needs of the Pro-Love Tucson team at various functions and meetings, plus perform work projects at the women's center in the White Mountains.

The common thread that still runs through our ministries, no matter what they are and when and where we serve, is the desire to serve and assist mainly women and children. As long as the Holy Spirit calls us and provides the ways and means to serve God's children in need, we are blessed to be able to respond to that call. And we have learned from many past experiences (and to this day) that it is not Dennis, Lucy, Manos de Dios, and the volunteers that make the mission a success. It is all of us, including financial and prayer warriors, who serve together with the blessing and direction of the Holy Spirit, where the validation lies. 🍌

Sidewalk outreach saves

lives....physically and spiritually.

Women in an unplanned pregnancy tell us the number one reason they consider abortion is FEAR! The gentle offers of "Hope" and "Help" reach them at their point of need and truly provide **options**. Women are so grateful that Pro-Love Tucson and other grace-filled sidewalk outreach volunteers 'were there' the day they came for their abortion and share pictures of their babies born due to the life-affirming resources they accessed! Thank you for praying for our team on the sidewalks year around in Tucson. This is a SPIRITUAL BATTLE! Proverbs 31:8-9

Manos de Dios **GraceFund** provides for transportation needs of single, pregnant moms! We come alongside single woman who have bravely chosen to continue their pregnancy, even in difficult circumstances Manos de Dios prayerfully considers those women who meet our criteria of having completed an **Embrace Grace** group and are committed to growing their faith in Jesus. In

2025 GraceFund has provided two vehicles for moms and their children.

Donations of reliable vehicles and financial donations are welcome for future needs!

Mexico Update:

The Lord continues to provide for <current day> widows and orphans through Manos de Dios! Margarita and Alejandra appreciate the support that enables them to own their vehicle & home plus pay for medical care and therapy as Alejandra grows.

The Women's Rehab Center, under the leadership of Pastora Ana, has been completely rebuilt and updated in the last year. The women clients receive recovery services, job training, healthy meals and most importantly, spiritual discipleship.

Apache update:

Dennis and Lucy enjoy spending time during the heat of the summer in the White Mountains! While there we have the opportunity to check in our Apache daughters' families and volunteer at New Hope Pregnancy Resource Center on the White Mountain Apache Reservation!

Thearsa is parenting her two children, Zariah (3) and Zakiah (1) in Phoenix while working full time! She appreciates the prayers and support from Manos de Dios. 🥰
